#### KINOL SHARIE LEYH & ASSOCIATES

3740 MOUNT ROYAL BLVD, ALLISON PARK, PA 15101 (412) 486-9250

January 8, 2025

This letter will confirm our mutual understanding of the terms and objectives of our engagement and the nature and limitations of the services we will provide. For purposes of this letter, (a) you may be referred to herein as "Client", "you", "your" or words of similar meaning, and (b) Kinol Sharie Leyh & Associates may be referred to herein as "Accountant", "we", "us", "our" or words of similar meaning. The engagement between you and our firm will be governed by the terms of this Agreement.

We will prepare your 2024 federal, state and local tax returns from information you furnish to us.

We will not prepare any additional tax returns without your consent. We will prepare our tax returns solely for filing with the Internal Revenue Service ("IRS") and for any other state or local tax authorities. Our work is not intended to benefit or influence any third party, either to obtain credit or for any other purpose.

You are responsible for determining your tax filing obligations with any other state or local tax authorities. You agree that we have no responsibility to research these obligations or to inform you of them. If upon review of the information you have provided to us, including information that comes to our attention, we believe that you may have additional filing obligations, we will notify you of this responsibility and ask you to contact us.

You agree to indemnify and hold us harmless with respect to any and all claims arising from the use of the tax returns for any purpose other than filing with the IRS and state and local tax authorities regardless of the nature of the claim, including the negligence of any party.

This engagement is limited to the professional services outlined above.

We will provide you with an income tax organizer to help you compile and document the information necessary to prepare your income tax returns. We will not audit or otherwise verify the data you submit to us, although we may ask you to clarify certain information.

We will prepare our tax returns based upon your filing status as reflected in your income tax return for last year. If your filing status has changed, you wish to change your filing status, or you have questions about your filing status, please contact us immediately.

If the tax returns prepared in connection with this engagement are filed using the married filing jointly status, both spouses are deemed to be clients of the firm under the terms of this Agreement. Both individuals acknowledge there is no expectation of privacy from the other concerning our services in connection with this Agreement.

We will use our judgement to resolve questions in your favor where a tax law is unclear if there is a reasonable justification for doing so. Whenever we are aware that a possibly applicable law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. We will follow whatever position you request, so long as it is consistent with the codes and regulations and interpretations that have been promulgated. If the taxing authorities should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. We assume no liability for any such additional penalties or assessments.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

Your returns are, of course, subject to inquiries by taxing authorities. We are available to represent you and our fees for such services are at our standard rates.

You may be required to make quarterly estimated tax payments. We will calculate these payments for the 2025 tax year based upon information you provide to prepare your 2024 tax returns and have no obligation to update recommended payments after the engagement is completed.

It is our policy to keep workpapers related to this engagement for 7 years. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies. It is your responsibility to maintain, in your records, the documentation necessary to support the data used in preparing your tax returns, including but not limited to the auto, travel, entertainment and related expenses and the required documents to support charitable contributions. Please be aware that acknowledgement for charitable contributions made during 2024 must be received before the earlier of (1) the date you file your tax return, or the due date, including extensions, for filing your tax return and should indicate that no goods or services were received in exchange for the deductible portion. If you have any questions as to the type of records required, please ask us for advice in that regard. It is also your responsibility to carefully examine and approve your completed tax returns before signing and filing them with the tax authorities. We are not responsible for the disallowance of doubtful deductions or inadequately supported documentation, nor for resulting taxes, penalties and interest.

As part of your filing obligations, you are required to report the maximum value of specified foreign financial assets, which include financial accounts with foreign institutions and certain other foreign non-account investment assets that exceed certain thresholds. You are responsible for informing us of all foreign assets, so we may properly advise you regarding your filing obligations.

These assets include any ownership interests you directly or indirectly hold in businesses located in a foreign country, and any assets or financial accounts located in a foreign country over which you have signature authority. Based upon the information you provide; this information will be used to calculate any applicable foreign tax credits. We will also use this data to inform you of any additional filing requirements, which may include Form 8938, Statement of Foreign Assets, and FinCEN Form 114, Report of Foreign Bank and Financial accounts ("FBAR"). We will only prepare the FinCEN Form 114 reports based on information that you provided to us.

You are responsible for complying with the tax filing requirements of any other country. You acknowledge and agree that we have no responsibility to raise these issues with you and that foreign filing obligations are not within the scope of this engagement.

If you purchased health insurance through the Marketplace, you will receive a Form 1095-A which must be submitted with the rest of your tax information.

The IRS has provided that a taxpayer may authorize them to discuss the taxpayer's tax return with the CPA who signed the taxpayer's return as the return preparer. The authorization is granted by checking the "yes" box in the signature area of the tax return. By checking the "yes"

box, you are granting the IRS permission to contact our firm with questions that may arise during the processing of your return. You would also be granting our firm the permission to (1) provide the IRS with any information that may be missing from your return, (2) call the IRS to inquire on the processing of your return or on the status of your refund, and (3) respond to any IRS notices that you have provided to our firm relating to mathematical errors, offsets and return preparation. Please note that our firm will not receive separate copies of notices; therefore, you must provide our firm with copies of any notice you receive from taxing authorities. Once elected, the authorization cannot be revoked. The authorization is valid for one year after the due date for filing the tax return. Unless you indicate otherwise, it is our firm policy to mark the box granting the limited authorization to our firm.

We will be transmitting your returns electronically (e-file) using an outside tax processing service unless (1) you elect otherwise in writing or (2) electronic filing is not available for your tax returns. Please note that while e-filing will require both you and our firm to complete additional steps, the same filing deadlines will apply.

For all electronically filed returns, you will be required to verify and sign a completed Form 8879, IRS e-file Signature Authorization, and any similar state or local equivalent authorization form before we can transmit the returns to the taxing authorities. We will provide you a copy of the income tax returns for your review prior to electronic transmission. We cannot transmit the returns to the taxing authorities until we have the signed authorization form(s). Therefore, if you do not provide our firm with your signed authorization in a timely manner, we will place your return on extension, even though it might already have been completed.

We will provide separate filing instructions for any returns that are required to be paper filed (or that you so elect to paper file).

Please note that all tax payment due dates remain the same even if your return is e-filed. You must ensure that your payment of any tax balance due is timely remitted on or before April 15, 2025. There are options to pay your balance due using a credit card or electronic funds withdrawal. If you instead choose to pay the balance due by mail, payment must be postmarked on or before the due date to avoid penalties. Finally, please note that while our firm will use our best efforts to ensure that your returns are successfully transmitted to the appropriate taxing authorities, we will not be financially responsible for electronic transmissions or other errors arising after your return has been successfully submitted from our office.

Please provide bank account information if you want to have any refund(s) directly deposited into your bank account.

Our fees for the services we provide will be charged to you on the basis of time required at standard billing rates. We will bill you for our work after time has been incurred, and request that remittance be made upon receipt of the bill.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. By submitting your tax information to us, you are agreeing with these terms.

Sincerely,

Kinol Sharie Leyh & Associates, P.C.
